1.1 Applicability

All rules will apply to all competitions unless it is stated otherwise in the rules for a particular competition.

1.2 Eligibility

Club Competitions other than those designated as open to visitors are restricted to members but, subject to further restrictions as agreed from time to time by Committee and reflected in the Competition Rules members of Blair Atholl Golf Club would also be able to participate in the said Club competitions. Junior members are not eligible to compete in ordinary Members' Competitions unless they hold an official playing handicap of 18 or less and have the recommendation of the Junior Convener and approval of the Committee.

1.3 Handicap

Only players with a current CONGU Competition (C) handicap will be allowed to enter any competition (unless playing for handicap). Maximum Handicap for all Competitions will be 28

1.4 Transportation

It shall be a condition of any competition organised by The Pitlochry Golf Club that players must walk at all times during a *stipulated round* of a qualifying competition, unless permission to ride a buggy has been authorised by a member of the *Committee*.

The penalty for a breach of this condition is detailed under the specimen Condition on page 142 of the Rules of Golf 2012 – 2015.

If a player wishes to use a golf buggy he must:

- Request to use the golf buggy prior to the closing date for that competition.
- Provide a valid medical certificate of disability or a blue badge permit.
- Obtain written permission to use the golf buggy from (a member) of the committee prior to play in that competition.

1.5 Starting times

Play must not start before the first listed time or while any notice prohibiting play is displayed, this is to safeguard Greens Staff preparing the course.

Under Rule 33-3 of the Rules of Golf, it is the responsibility of the Committee to establish starting times and so the time allocated by the Committee is deemed to be the player's specified starting time.

If the start of play is delayed for any reason, then the players must be ready to play at the new (later) time which becomes the specified starting time.

1.6 Competition entry

All competitors must enter the competition on the day by advising the Professional or his deputy in the shop prior to commencement of play.

1.7 Score cards and scores

All competitors must use the Club's current score card. Failure to do so will result in disqualification.

If someone wishes to play in the competition and does not have someone to play with the Committee can appoint someone to mark that persons card whether or not he is actually playing in the competition...per definition of '*marker*' on Page 29, Rules of Golf , i.e. "A *marker* is one who is appointed by the *Committee* to record a *competitor*'s score in stroke play. He may be a *fellow-competitor*. He is not a *referee*."

On completion of the round the *marker* must sign the scorecard and hand it to the *competitor*. If more than one *marker* records the scores, each must sign the part for which he is responsible. The *competitor* should check his scores for each hole and ensure the *marker* or markers have signed the scorecard and then sign the scorecard himself. Failure to do so will result in disqualification.

Competitors are requested to enter their score in the computer and must place their score card in the box adjacent to the PSI terminal in the lounge. This includes "No Return" cards.

Failure to return cards will result in disqualification, (Rule 6,6.b) and/or possible suspension from subsequent competitions and/or their handicap (Decision 1,(p) CONGU guidelines).

1.8 Playing numbers

Play in medal competitions will be in groups of two or three.
All players in a group must play in the competition unless playing "for handicap".

1.9 Play

Stroke-play competitions will be held over 18 holes unless otherwise stated. The winner will be the player or team with the lowest scratch or handicap score, as appropriate.

1.10 Course unplayable

If the course is deemed unplayable by authority of the Professional or his deputy, and/or if possible after consultation with a member of the Committee or on recommendation from a member of the Greens Staff the competition will be re-scheduled for another day or cancelled.

1.11 Suspension/Abandonment of Play

All players must adhere to the rules regarding suspension or abandonment of play laid out in Section 35 and The Rules of Golf - Rule 6-8. In addition, even though a competition is not formally suspended or abandoned (the air horn has not sounded), a player, believing there is danger from lightning, is entitled to mark his ball and discontinue play under Rule 6-8.

He must then follow the procedures laid out in this Rule.

See Section 37, See Page 51

1.12 Tied competitions

In the event of a tie the winner will be the player with the lowest scratch or handicap score, unless otherwise stated as appropriate, over:

- the inward half, and if undecided over

- the last hole, and if undecided over

2.4 Late entries & change of playing times

Members will be entitled to enter for competitions after the draw has been made by contacting the Professional provided that a time is available and the change will not, in the judgment of the Professional, or his deputy interfere with the play of competitors who have already booked. If members have already booked a tee time then no change of booking will be allowed before or after said booking after it is on the draw sheet.

e.g. if 0700 cannot change to later time or if say 1300 to an earlier time

Late entries are only accepted at the discretion of the Pro or his deputy in their role as Starters.

Repeated late entries and/or changes to drawn times may be reported to the Committee.

2.5 Unavailability for play

Members who have booked a time for play in a competition, or who have placed their name on the Entry Sheet for a competition and who become unavailable for play prior to the Draw being made must advise the Secretary as soon as possible by cancelling the booking.

If the Draw for the competition has been made the member must advise the Professional or his deputy of his unavailability to play.

Any member who fails to take up a drawn time will be fined the equivalent of the entry fee and will receive a written warning.

In the event of a recurrence, a ban will be imposed from entering the next 4 medal competitions.

Any further recurrence could result in a ban for the remainder of the season and may result in the member's handicap being suspended for a period of time in accordance with CONGU Clause 24.1(b).

If the Committee finds a player repeatedly making late cancellations or withdrawals from play then he too will be liable to the above measures.
